

*Blue Point FD Ladies Auxiliary*  
*205 Blue Point Avenue*  
*Blue Point NY 11715*

Dear Blue Point Fire Department Members,

The Ladies Auxiliary is interested in increasing our membership and would like to extend invitations to join us to your family members and significant others.

As you know, our organization was formed to offer assistance to you when needed and has helped out over the years by participating in various BPDFD events and fundraisers. The Auxiliary also awards two annual scholarships and supports community causes through our own fundraising efforts.

We hold six meetings per year and would like to invite potential members to attend a meeting to learn more about the Auxiliary. We all share a strong sense of community and enjoy socializing and working together in and for the community we love!

We would greatly appreciate it if you could let us know about anyone who may be interested in attending one of our meetings so we can send them an invitation.

Many thanks!

Sincerely,

A handwritten signature in black ink that reads "Marybeth Scofield". The signature is written in a cursive style.

Marybeth Scofield, President
